In re Application of :  
JUNGBLUT et al. :  
Application No.: 09/890,339 : DECISION  
Attorney Docket No.: 028622-0108 :  
For: IDENTIFICATION OF SPECIFIC :  
DIFFERENTIALLY EXPRESSED ANTIGENS :

This is a decision on the petition under 37 CFR 1.137(b), filed October 20, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the final Office action mailed May 29, 2007, which set a shortened statutory period for reply of three (3) months. An extension of time of three months under the provisions of 37 CFR 1.136(a) was obtained. A Notice of Appeal was also filed. Accordingly, by operation of law, the above-identified application became abandoned on February 29, 2008.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of a Request for Continued Examination; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the final Office action mailed May 29, 2007 is accepted as having been unintentionally delayed.

This application is being referred to Technology Center AU 1645 for appropriate action, if any, on the reply in due course.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3301.
